The MAM Network offers a wide range of programs and supportive services opening the pathway to improved employment status, financial management, housing stability, and independence. There is "no wrong door" to access the network. It is designed to 'meet each family where they live' and connect them to an array of services that will help them achieve financial stability. For management purposes, we divide these programs into 3 areas: Family Assistance, Family Education and Programs for Children in Schools.

Family Assistance helps families facing financial crisis avoid homelessness. This program provides cash and other assistance in the following areas:

It is available to clients once a year for a partial bill payment. In 2018 and 2017, 2,145 and 2,816 families, respectively, received rent or utility assistance. The second approach is Case Managed Assistance which supports a family in decreasing amounts for 3 months while the wage earner(s) find or return to work, balance their budgets, access public benefits, if appropriate, and pay down debt. In 2018 and 2017, 121 and 197 families, respectively, received case-managed assistance through three program models.
 - Medical/Health provides clients with referrals and assistance for a doctor or dentist visit or a medical prescription. A total of 530 clients were provided with healthcare referrals or assistance through this service in 2018 and 618 in 2017.

Resale Store - The MAM Resale Store sells donated goods to provide a low-cost source of clothing, furniture, books, toys, and household goods to families served by MAM and others in the community. The store is staffed with approximately 75 regular MAM volunteers and serves as a site for court-ordered community service and local volunteer organizations. Students from MAM's English as a Second Language classes also volunteer in order to improve their conversation skills.

A substantial number of volunteers have contributed significant amounts of time in connection with programs, administration, and fundraising for which no amount has been recorded in the financial statements because the donated services did not meet the criteria for recognition under generally accepted accounting principles. The hours contributed by volunteers approximated 55,809 in 2018 and 57,200 in 2017, primarily in the Resale Store and Family Assistance programs. The Independent Sector and Bureau of Labor Statistics estimated the value of one hour of volunteer service in the United States at \$24.69 in 2018 and \$24.14 in 2017.
